

## STATE SUPPORT TEAM REGION 1

The work of the State Support Team Region 1 is centered on the following areas:

1. Supporting districts, buildings, and educational staff (administrators and teachers) who are implementing the Ohio Improvement Process (OIP). The goals of this work are to lessen the achievement gap that exists between students with disabilities and typically-developing peers and support district efforts to develop requisite structures and programs to ensure that all students are college and career ready following graduation.
2. Providing professional development and technical assistance to districts to ensure special education compliance and instructional supports for students with disabilities and knowledge of current high-quality practices and state and federal initiatives related to special education.
3. Providing region-wide professional development and technical assistance to support the area of Early Learning. This support includes preschool special education compliance, instructional supports for all young children, transitions from Early Intervention to Preschool and Preschool to Kindergarten, and support for program quality and evaluation.
4. Supporting and providing resources to parents and community agencies that serve children with disabilities for state and federal initiatives, laws and regulations, special education services and parent surrogate training.

## SERVICE REGION AND LOCATION

The State Support Team Region 1 service region includes the counties of Defiance, Fulton, Hancock, Henry, Lucas, Ottawa, Paulding, Putnam, Sandusky, Van Wert, Williams, and Wood, and Fostoria City School District in Seneca County. Directions are available from [www.sstr1.org](http://www.sstr1.org). The State Support Team Region 1 fiscal agent is the Educational Service Center of Lake Erie West.
